Calf Scramble Rules and Regulations

CASH PRIZES ONLY FOR THOSE WHO CATCH A CALF

ARENA RULES

1. Participants will take into the arena a rope halter, which will be supplied by the Beagle Boys Enterprise. Halter cannot be used as a lariat. Halter must be placed on head of the animal in the usual way. (It is suggested that the supervisors of all participants instruct them of the proper use of rope halter and how to place it on the head of the calf before coming to the show to participate in the scramble.)

2. At no time will a participant be permitted to tie the rope to his/her body or belt.

3. Each participant will attempt to catch and halter one of the calves released.

4. If a participant has hold of a calf, no other participant will be allowed to touch the calf until it breaks away.

5. If a participant catches the calf by the tail, they will be given a reasonable amount of time to work around its head; otherwise, the referee will order them to let the calf go.

6. If two or more participants catch the same calf, the calf will be turned loose.

7. A participant who secures and properly halters a calf and contains it for 30 seconds will be declared a winner when so indicated by the referee.

8. Unnecessary roughness will not be tolerated; participants will be disqualified and calf will be set free. Poor sportsmanship automatically disqualifies participant.

9. There will be a 20 minute time limit for each heat.

10. Judges decision is final.
