

Dear Wood County Fair Livestock Sale Supporters,

We would like to thank you for supporting our livestock exhibitors in the past and are excited to have you work with us again this year. This year the Showcase will be held on Sunday, August 9th. Bidder registration and lunch will begin at Noon. The live portion of the event will begin promptly at 1:00 pm and will feature all of the eligible champion animals, showmanship winners and last year showmen. You will be able to pay for your purchases that day, through cash, check or credit card or you can be invoiced after the sale. All purchases must be paid for no later than August 29th.

All livestock exhibitors regardless of their market status are eligible to take part in the online add on sale. Exhibitors wishing to be part of this optional sale had to have registered by June 1st to ensure that the sale committee had time to prepare the sale. As a buyer, you will have the ability to sort through the list of exhibitors participating in the sale and select the specific exhibitors you are interested in supporting. The online portion of the sale will open at 8 am on Monday, August 10th and will run through 11:59PM, Monday, August 17. Here is the direct link or scan the QR code below: <https://fairent.com/Fair/SignIn/23233>. If you have previously registered as a buyer, you can login using your email. If you cannot remember your password there is an option to reset the password as opposed to creating a new account. If you are new to fairent.com you will want to register as a buyer and complete the appropriate login information to create a new account.

Once you have finished supporting the online add-on sale you have the following options to make payments:

Option 1. You may remit payment by credit card online through fair entry by clicking the "make a payment" button. A receipt will be emailed to you at a later date.

Option 2. We plan to have invoices sent by EOD Monday, as the latest. It is a manual process, so it does take some time. Thereafter you may remit payment still by credit card by paying online under "make a payment" or by calling the fair office 419-352-0441, or sending a check as outlined below.

Option 3. If you wish to send a check, please remit payment directly to the fair office, or send to:

Wood County Agricultural Society
Attn: Livestock Sale
PO Box 146
Bowling Green, OH 43402

All Livestock Sale payments must be received in the fair office by close of business day on August 31st or the credit card on file with the fair entry program will be charged. The buyer will be responsible for the credit card user fee that is associated with card purchases.

Thank you for your continued support of Wood County's youth.
Please let us know if you have any questions.

Thank you,

Sale Committee
