Dear Wood County Fair Livestock Sale Supporters,

We would like to thank you for supporting our livestock exhibitors in the past and are excited to have you work with us again this year. This year the Livestock Showcase and Sale will be held on Sunday, August 3rd. Bidder registration and lunch will begin at Noon. The live portion of the event will begin promptly at 1:00 pm and will feature all of the champion animals, showmanship winners and last year showmen.

New for 2025, all livestock exhibitors regardless of their market status are eligible to take part in the online add on sale. Exhibitors wishing to be part of this optional sale must have registered themselves by June 1st to ensure that the sale committee had time to prepare the sale. As a buyer, you will have the ability to sort through the list of exhibitors participating in the online sale and select the specific exhibitors you are interested in supporting. The online portion of the sale will open at 8 am on Monday, August 4th and will run through 11:59PM, Monday, August 11 at 11:59 pm. You will simply need to go to [fairentry.com](http://fairentry.com) and search Wood County in Ohio and click on the Jr. Fair logo. If you have previously registered as a buyer you can login using your email. If you cannot remember your password there is an option to reset the password as opposed to creating a new account. If you are new to [fairentry.com](http://fairentry.com) you will want to register as a buyer and complete the appropriate login information to create a new account.

Once you have finished supporting the online add on sale you have the following options to make payments:

Option 1. You may remit payment by credit card online through fair entry by clicking the "make a payment" button. A receipt will be emailed to you at a later date.

Option 2. Invoices will be mailed after the online sale has ended. You may then remit payment by credit card by though Fairentry online under "make a payment" or by calling the fair office 419-352-0441, or sending a check as outlined below.

Option 3. If you wish to send a check, please remit payment directly to the fair office, or send to:

Wood County Agricultural Society

All Livestock Sale payments must be received in the fair office by close of business day on August 29th or the credit card on file with the fair entry program will be charged. The buyer will also be responsible for the 3% credit card user fee that is associated with card purchases.

Thank you for your continued support of Wood County's youth. Please let us know if you have any livestock sale related questions.

Thank you,
